24 Shape cookies Spinner

It's a cookie party, with dozens of freshly baked shapes to explore! Here are three fun games to play with these yummy treats!

Game 1 – The youngest player goes first. Place all cookies in a pile. Spin the spinner. If the spinner lands on a shape, take that shape. If it lands on the cookie jar, put one cookie back in the jar. Try to collect all the different shapes!

Game 2 – The youngest player goes first. Place all cookies in a pile and spin.

If the spinner lands on a shape, the player must call out the name of the shape, and name another object that has the same shape. For example, if the spinner lands on a circle, players can call out “the moon” or “a wheel.” If you guess correctly, take one cookie shape. If the spinner lands on the cookie jar, skip a turn and the next player goes.

Game 3 – The youngest player goes first. Place all cookies in a container, bowl or bag. Spin the spinner and see which shape it lands on. Now, the player closes his or her eyes, reaches into the bag and feels around to find the matching cookie shape. Can you find all the shapes without looking?
